

Hello and Happy Holidays ! :)

Here is a list of great words for your Christmas Word Scramble game. I've compiled a list of words, scrambled them, and provided an answer sheet for you, so all you have to do is print and play. :)

This list is broken up into two parts so you can print it as is and play twice using words 1-20, then 21-40. Or play any way you like. Just make sure to keep the words numbered as they are so you can easily reference your Answer Sheet to determine the winner.

Print on colorful Holiday paper to add to the fun! :)
